

We make it easy.

- We provide the home seller a free estimate of the scope of work.
- Appointment times we schedule are exact, no waiting for our inspector to arrive.
- We provide solutions that help homes pass inspection.
- Our work is guaranteed, if home is purchased within one year of the completion of our work, the warranty transfers to the new owner.

What Our Partners Have to Say...

"Value Dry Waterproofing provides excellent service, educating their clients on their systems and repairs. Their sales reps are informative, professional, and knowledgeable in the issues that cause water intrusion. They offer a lifetime guarantee on the systems they install. In an industry where many businesses fail, it's great to have Value Dry Waterproofing on the job. I highly recommend them,

JENNIFER YEATTS, REAL ESTATE AGENT / BROKER

Your clients deserve the benefits of a home that defends itself against moisture.

Trusted Partner

Finding a reliable contractor for your clients can be a challenge. Consider a proven Realtor Program that is specifically designed for Realtors.

Gain Peace of Mind

Without expert waterproofing, homes in the Mid-Atlantic can risk structural failure. When the next big rain comes, your clients will be prepared.

Live in a Healthy Home

Do what you can to help your client's protect their new home from water intrusion. Help them enjoy a healthy, happy home from the moment they move-in.
